Assistant Commissioner of Patents
Application Processing Division
Washington, D.C. 20231

AMENDMENT

In response to the Office Action dated April 3, 1997, please amend the above application as follows.

In the Claims

Please amend the claims as follows:

2. (Twice Amended) A teleconferencing system for conducting a teleconference among a plurality of participants, comprising:
- (a) a plurality of workstations, each having a visual image display monitor and associated participant audio and video capture and reproduction capabilities [associated with each of a plurality of participants];
 - (b) an AV path for carrying AV signals representing video images and spoken audio of the participants among the workstations; and

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231, on August 11, 1997
